NOVEMBER 2015

From Pat's Desk ...

The Holidays are fast approaching and the CMOC has many events to help celebrate the season through giving back to our community and fellowship. All of these activities

are designed to meet our goals to help

- 1) Grow Membership (who wouldn't want to join our club!),
- 2) Ensure Every Member Participates on a Committee and
- HAVE FUN!

During our Oct 21 meeting, I was honored to be able to install our first new member to the CMOC. Haydn Peterson is an Oakland University student and works at Office Max. Please help me welcome him to our club.

Upcoming events are listed in this newsletter. Please invite your family and friends to join us to celebrate life, the season and all for the benefit of helping the kids.

As always, if you have any questions or suggestions just give me a call.

Pat RM

Michigan District 1Q Conference

Seven members (Elaine, Fred, Barry, Dave Teresa, Haydn, and Pat) from the Central Macomb Optimist Club attended the 1Q District Conference in Troy, MI. Club president, Pat Rabaut Miller was installed onto the District Board as the president of the CMOC and our newest member, Haydn Peterson participated in the "First Timers" activity. During the conference members attended workshops on Membership. PGI, Junior Golf, New Club Building, etc. and Board Members Elaine and Pat attended club officer workshops.

BIG Thanks to Debbie Doran

Big thanks to Debbie Doran who gave us 4 sets of 2 tickets to the Macomb Center for Performing Arts. This became a \$90 fundraiser for our club. Thank you so much for your generosity.

CMOC Award:

Our club was awarded with a new banner patch for our participation in the 2014-15 Dollar A Day (or \$365) donation to the Optimist International Foundation (OIF). Money donated to the Foundation supports the various scholarship programs such as Junior Golf and Oratorical Contest. OIF also selects individual clubs to award with grant money for their activities. See our OIF Chair, Dave Stevens, if you would like a tax deductible donation to the Foundation.

Healthy, Happy Halloween at the Y in Mt Clemens

Thanks to CMOC volunteers Samantha Henderson, Dianne Sinning, Leslie Schaefer and Tanya Grillo for helping the Y staff the fun-filled activities during the Healthy Happy Halloween. The club provided 250 backpacks, filled with healthy treats, for the kids as they entered the Y. Special thanks to Al Vergillio for providing the healthy snacks that were put into the backpacks and to Sue Kardasz for planning the event again this year.

The Right Step Foundation

It was a pleasure to have Sue Vergillio join us during our meeting on November 4th. Sue is the founder of The Right Step, a foundation to help under-insured children with physical disabilities get needed occupational therapy. Sue's commitment to these children was apparent as she shared stories about how the use of horses can provide a unique form of physical exercise to a child who is unable to walk. Sue and Al Vergillio, long time members of our club, always step up to the plate when asked to provide donations and support to our ongoing efforts to bring out the best in kids. It's always good to see them.

Membership Growth

Did you know that for every member, we can support 35 children in our communities? Currently, the CMOC has 56 members so we can support nearly 2,000 kids annually? Since our club is so active, the number is probably higher. Each member is encourage to consider inviting family and friends to join us to support the kids in our area. Membership growth is also a part of Personal Growth and Involvement (or PGI). PGI is the process to learn about Optimist International as well as our club as you become more actively involved in our projects. (Dot Hardy is our PGI Chair). President Pat Rabaut Miller was honored to receive a "15 Member" growth pin, from Immediate Past President Dan Kardasz during the November 4 meeting.
